### **Goals:**

In the 2008 season, I hope to continue to become a better sportsman and a better racer. I hope to improve my competitive racing skills as a beginning racer. I love Racing, so I am going to work to become better so I can some day achieve my dream of becoming a pro racer. As we are looking for more events to enter this race season, I am looking for sponsors to help me out in any form.

### **Sponsor Information:**

I am currently seeking sponsorships from vendors of safety and riding apparel, as well as performance parts. I feel that I am desirable as a sponsored racer because I attend most District 22 races and I strive to succeed in all that I do. In order to promote my sponsors, I will do what ever is asked of me. I have a very good sportsmanship manner. Examples of ways I can help promote my sponsors would be through product promotion at the racetracks, logo placement on my quad and trailer.
